

Partners' Youth Advisory Council!

Partners is starting a Youth Advisory Council! Our council will bring the youth perspective to Partners, helping them further their work in our community. We will be planning 4 activities per year, handling the Mentee Experience training, and working on other select projects of our choosing. The council is a hybrid model, but meetings will be in the Fort Collins' office.

Hours will be negotiated when the council is filled and we have everyone's schedules. You will serve as a member for a total of a year. We are excited to announce we are officially accepting applicants in grades 7 through 12, but only from now to January! Hurry up while you still have the chance to apply, we'd love to have you!
