THE Spark CAMPAIGN

PARTNERS

Corporate Donations

DECEMBER 2026

Companies looking to directly support the mission of Partners can become Corporate Donors. **All levels of giving help us to serve more youth and community members in our high-quality programming.**

Partners is a qualified agency for the CO Child Care Contribution Credit. This permits Partners donors (corporate and individual) to gain an additional credit up to 50% on Colorado state income taxes. For more information, please visit https://poweredbypartners.org/cccc/

Please note, this benefit only applies to monetary donations--sponsorships and in-kind donations do not qualify. You are able to "mix and match" your support for Partner if that is the best fit.

To arrange giving, ask questions, or get support, please email Vanessa Lewis, vlewis@poweredbypartners.org

Mission Impact Levels:

- **$500** allows youth on our waitlist to experience fun and educational activities
- **$1,800** supports one mentoring Partnership for an entire year
- **$3,600** supports two mentoring partnerships for an entire year
- **$5,000** funds 100 youth participating in our holiday activity, where they budget and shop for gifts for loved ones
- **$10,000** provides orientation and training for 100 new mentors
