Board Membership

We are seeking to expand our Board of Directors with new members. Our Board helps us extend our community engagement reach across Northern Colorado. Board members spend an average of 5-8 hours per month on the following focus areas:

- Bringing in individual and corporate funds
- Engaging in volunteer recruitment
- Planning community engagement and fundraising events
- Overseeing our operations
- Setting the strategic direction of our organization

Our Mission

is to empower youth and community members to achieve their full potential through mentoring, prevention education, and strategic partnership.

We have been a leader in youth services for the past 47 years and currently serve all of Northern Colorado through our offices in Fort Collins, Greeley, and Estes Park.
